Alexandria, VA 22313-1450

FILED VIA FACSIMILE TO: (571) 273-8300 (2 Pages)

Sir:

STATUS INQUIRY

The undersigned hereby requests to be informed of the status of the above-identified application.

The on-line "PAIR" system indicates that the status of the application is:
Case Docketed to Examiner in GAU

This is a reissue application. As indicated in the caption information above, it was filed on July 17, 2003. Applicants note that reissue applications are taken up "special" and are taken up for action ahead other "special" applications (MPEP 1442). Applicant's further note that it has now been more than fourteen (14) months since the subject reissue application was filed.

This reissue application involves reissue of Issued U.S. Patent No. 5,650,054. As indicated in applicant's original reissue application filing papers, a currently pending Reexamination Application Serial No. 90/006,209 involves
